

Any white space on the conflict schedule is a potential rehearsal time for us. Please either put an X through the whole square or list the time in that time slot that you are **not available**. It is extremely important that the team has your conflicts listed prior to casting the show. If you add a new conflict after the show is cast, that may affect your ability to remain in your role or in the production.

Please TAKE A PICTURE of your conflict schedule with your reported conflicts listed before turning in your paperwork.
